D-BUTTON

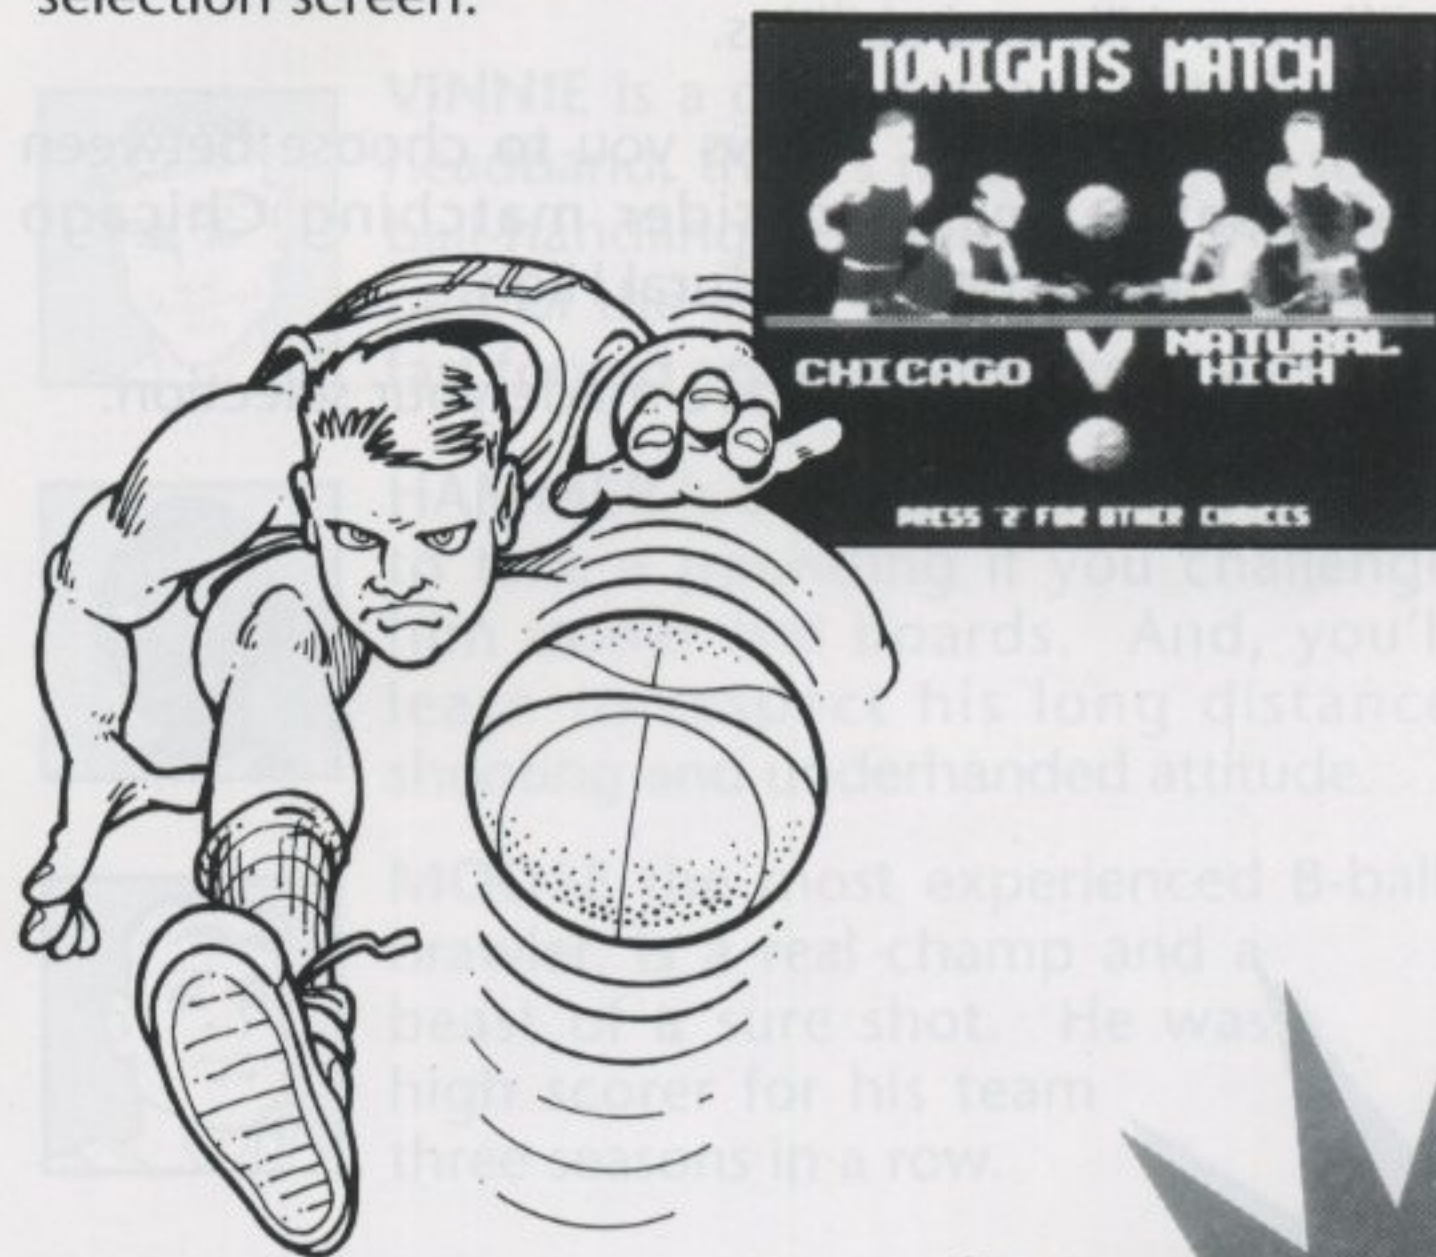

It's thunderous realism...it's screaming fans. It's basketball...it's basketbrawl...it's challenging and it's WAR! Hone your hoop skills for fast-paced action, lightning quick steals, swarming pressure defenses. Unleash your offensive strategy, pass, shoot or floor an opponent with a right hook. This game has no fouls! The referee is so near sighted that, as he races up and down the court, his best move is 'in your way'...so, don't trip over him.

Use your basic B-ball skills to their fullest and show off your all-around ball control, but if that doesn't get the high scores, try pulling down your opponent's shorts. If you don't do it first, you can be sure he'll be doing it to you.

If you rile this trashy crowd, watch your step. Frenzied fans will express their unqualified opinion by flinging garbage onto the court. While you're reworking your strategy, don't forget to keep your eye on the other team's mascot who knows a bonehead when he sees one and has been known to take a quick bite. There's more to "Arch Rivals" than breakneck competition, steamin' slamdunks and shattering backboard breaks. There's serious chaos! Get on out there. It's game time!

PRE GAME

After the 'Sega' and the 'Flying Edge' screens, you will see the credits screen, then the 'Arch Rivals' title screen. At the title screen, press the START BUTTON to get to the 'Tonight's Match', team selection screen.

SELECT THE TEAMS

Each "Arch Rival" team is made up of two basketball stars. You control one star player and the computer controls your teammate.

For diverse, fast paced action, you can choose from among 5 teams. Each team's stars have got different skills and abilities.

The 2 BUTTON — allows you to choose between different teams. Consider matching Chicago against Brawl State or Natural High.

Press START when you have made your selection.

A LOOK AT THE STARS

TYRONE is big and bald. He's a defensive giant who really blocks the lane. He has a basketbrawl reputation for fast fists.

VINNIE is a great player. With his red headband, there's no sweat. His super ball-handling sets him apart from the best of the rest. Without the ball, he's fast footed and even quicker fisted.

HAMMER is the rebound king. Expect to take a pounding if you challenge him under the boards. And, you'll learn to respect his long distance shooting and underhanded attitude.

MOOSE the most experienced B-ball brawler, is a real champ and a beast of a sure shot. He was high scorer for his team three seasons in a row.

MOVES PLAYERS
AROUND THE COURT

LEWIS is a top shooter. Don't be fooled because he wears glasses; he's a tough contender and sees through the tightest defense. He's Mr. Smooth, Mr. Moves...Mr. Technique.

BLADE is a crowd pleaser. The fans love him and the cheerleaders can't resist his boy-next-door good looks. With his glasses, he's a twenty-twenty sunk shot.

MOHAWK is mean, tough and proud of his agitated hair-do. Don't mess with his hair and don't mess with him on his trip to the hoop. Foul play is his only way.

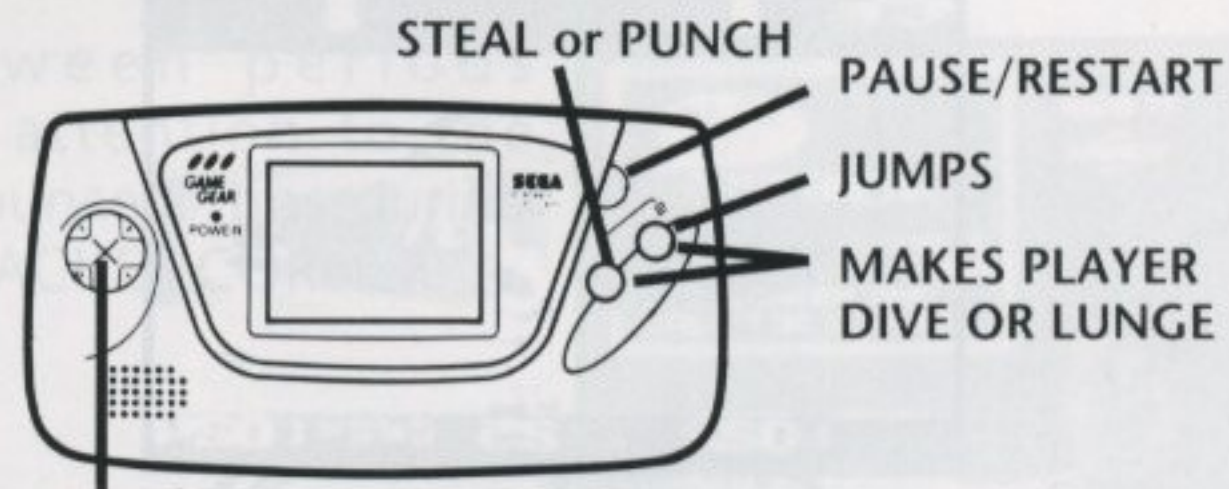

REGGIE the All American blonde, was the All-Star's All-Star ten years ago. With his experience, he has the magic touch to sink 'em from just about anywhere on the court.

Fast break tip — If your teammate has the ball, run off-screen and call for a pass. (Press the 2 BUTTON.)

Remember — winning isn't everything to a good player. Skill-improvement is a big part of what makes better players. But, winning IS everything for an Arch Rival. So make sure you leave the game a winner...no matter how you do it.

GAME TIME

Are you ready to play some B-ball? Watch out, it may turn into B-brawl. The "Arch Rivals" game consists of four minute periods filled with fast paced action and fancy footwork.

Between periods pay attention to the announcer's tips during "COACHES CORNER."

Entertain yourself during the quick half-time show. Enjoy the break, rejuvenate yourself for the second half. You'll be back with the intensity of "Arch Rivals" on the court for two more periods concentrated B-ball and B-brawl battle.

SOME WORDS FROM THE COACH

- ❑ Remember there is only one rule — "There are no rules." Do whatever it takes to win.
- ❑ Keep an eye on the shot-clock. If time expires, the other team takes possession of the ball.
- ❑ Rely on teamwork — Pass the ball around. The odds of making a basket are better if you're open.
- ❑ Keep the pressure on — the closer you are to your opponent, the lower his odds of making a basket.
- ❑ Put up a desperation shot — What is impossible in real life is quite possible on the court of "Arch Rivals." Take that shot from the far end of the court.
- ❑ Play tough. Play zone or man-to-man. Stay on top of your opponent; stay in his face and force him to put up poor shots.

And, don't forget. To Arch Rivals—
"Winning is Everything."
