

Run Wide Open!

Your car is screaming at 195 mph entering a 33-degree high-banked turn with Dale Earnhardt high and Jeff Gordon low when just three inches in front of you Kyle Petty blows out his right front tire!!

Is this cool or what?

If you want to trade paint with the best in NASCAR there's only one place to go!

Prove you can handle the thunder!

SUITABLE
FOR
ALL AGES

This is the first officially licensed NASCAR coin-op racing game and only EA Sports and Sega have it! NASCAR's greatest drivers and stock cars are ready to make race day every day in your location!

Game features include:

- Over 30 of NASCAR's greatest drivers and actual stock cars including Winston Cup winners Dale Jarrett, Dale Earnhardt, and Jeff Gordon.
- Link up to 8 EA Sports NASCAR Racers together for unbelievable head to head competition!
- Three incredibly detailed tracks include Talladega – the super speedway, Watkins Glen – the twisting road course and, Richmond – the short track oval!
- Sega's exclusive Passing Time Bonus! The more cars you pass, the longer you race!
- Multiple view selection button. See the action from the front bumper or behind the car.
- 50" Deluxe Cabinet. Modeled after a real Stock Car – complete with full roll cage and nylon-web window mesh!
- Feed back steering! Lets you get a taste of what it takes to tame a 750+ horsepower engine!
- Foot-stomping stereo sound! Delivered with crystal clarity through two in-dash and two in-seat hi fi speakers!

Assembled dimensions:
113.4" Length x 51.6" Width x
88.2" Height (1104.7" w/POP)
