USED GAMES

Through our global network, SEGA Amusements International has developed a supply chain of previously owned games. We have assembled a highly skilled and very experienced team of technicians, solely dedicated to achieving the highest standards in refurbishing machines allowing us to offer a wide range of video games, simulators, redemption and novelty machines to any market throughout the world. We understand that it is a false economy to supply our customer with anything other than the very best quality possible and this division prides itself on the work it produces.

All machines, once refurbished, are given our official seal of approval. The 'SEGA Assured' stamp proves that the machine has been through extensive testing and has passed our rigorous and strict assessment procedures.

A full list of games available can be found at www.segaarcade.com. We also distribute a full list by e-mail on a regular basis. To have your email address added to our database, please send a request to sales@segaarcade.com
