

MADWORLD™

Platform: Wii

Category: Action Adventure

Developer: PlatinumGames, Inc.

Release: Q1 2009

In *MADWORLD™*, players participate in a game of life and death, where only the strong will survive. You play as Jack, who's caught up in the terror of Death Watch, the murderous game created by the terrorists who call themselves 'The Organizers'. To remain alive – and solve the mystery behind Death Watch – you must master the use of weapons and items found within the environment and compete in ultra violent mini-games designed to push you over the edge. With its irreverent humor and over-the-top violence *MADWORLD™* delivers a visceral gaming experience that will be an instant classic on the Wii.
