STORY

Phantasy Star™ Portable picks up the exciting Phantasy Star Universe saga immediately before *Phantasy Star Universe: Ambition of the Illuminus*. The infestation of the alien SEED was thought to be under control by the end of *Phantasy Star Universe*, but a new menace has stricken the Gurhal system. Alongside a new character named Vivienne, players must investigate the contamination and clear out the affected wildlife. In this intriguing new instalment, players will delve deeper than ever before into the mysteries of Phantasy Star Universe.
