

The image shows a stylized, pixelated cityscape at night. In the center, a tall, dark, pointed tower rises above the other buildings. The tower has a glowing orange and yellow light emanating from its top. The text "UMK3 CAST OF CHARACTERS" is written in a bold, white, pixelated font across the middle of the image. In the foreground, two white, muscular, humanoid figures are sitting on a ledge, facing each other. The ground in the foreground is a dark, textured surface with a circular pattern in the center. The overall aesthetic is reminiscent of early 3D computer graphics.
