

BIG6 Arcade Pad with USB®

Inspired by the original SEGA Genesis® Control Pad, the design of the BIG6 take the wide and sleek look of the original and combines it with the 6-button layout of the Arcade Pad while also adding shoulder and menu buttons for modern gaming. It also sports a 10ft/3m cable for larger game areas. GENESIS definitely DOES.

- Official SEGA® licensed controller
- Six-button arcade pad layout
- Retains the familiar grip and sleek design
- Repositioned Start button made flush to avoid accidental pausing
- Smoothed out DPad for thumb comfort
- Additional Home, Select, and shoulder buttons
- Compatible with PC, Mac®, and other USB®-enabled devices
- 10ft / 3m cable length
