

## SEGA AND DOUBLE FINE SHOWCASE *THE CAVE* AT GAMESCOM 2013

***Play the Subterranean Adventure Anytime and Anywhere***

SEGA® Europe Ltd., SEGA® of America, Inc. and the award-winning independent developer Double Fine Productions, today announced the adventure masterpiece, *The Cave™* will be available soon on the App Store on iPhone® and iPad® with all new touch screen controls.

*The Cave* invites gamers to explore an enormous cave-world by assembling a team of three explorers from a choice of seven unlikely adventurers. Discover and decipher clues using each characters unique personalities and special talents and discover their dark reasons for descending into the mysterious and magical cave. Dive once more into the unknown with a new set of characters to experience each of their unique quests.
