GAME LEVELS

There are six worlds with three stages per world. The winner of each level is determined by score.

World 1: Town

Will and Rick take to the streets of their town and go head to head in a footrace to reach Jenny. Whoever reaches Jenny first wins. Smash moles

and fetch a gift for your beloved Jenny, but watch out for mean neighbors, dogs and swaggering crows!

World 2: Wilderness

The boys run through the wilderness on the outskirts of town to save Jenny. The only problem is it's filled with wild mice, scorpions, rolling stones and hungry vultures. Don't forget to bring back Jenny's water bottle!

World 3: Ocean

A surf and destroy mission! Race through the wild waves, jumping onto surfboards, riding in row boats, avoiding dangerous

whirlpools, flying fish, hermit crabs, sharks and octopi. Collect pearls for Jenny and pick up treasures along the way—bring back Jenny's lunch box to the starting point to win!

World 4: Jungle

Look out for the rolling monkeys and piranhas! To move faster, let the birds carry you off. Get Jenny's necklace back from the little monkey thief and save Jenny from the Big Monkey to win this world.

World 5: Iceberg

So, you think penguins are cute? Think again. There are mean birds here, and even worse, the monkeys throw ice. Be careful — hidden obstacles will

slow you down. Jump on the sleds, but watch out for the slippery ice and the freezing pools. Get Jenny's necklace back from the vicious seagull, and then bring her flowers to show her you're her main man.

World 6: Ruins

Do you believe in ghosts? You may bump into ghosts hiding in old pots, be laughed at by skeletons or get toasted by underwater volcanoes as you collect treasures to bring to Jenny. Find secret passages, smash the skeletons and run as fast as you can to win the game.
