The background is a dark, atmospheric scene. At the top, a full moon is visible against a dark sky. Below the moon, there are jagged, dark rock formations or mountains. In the middle ground, a stone bridge with several pillars spans across the scene. Two lanterns are visible on the bridge, one on the left and one on the right. The foreground is dominated by a large, dark, spiky object that looks like a dragon's head or a similar creature, with its mouth open and showing sharp teeth. The overall color palette is dark, with shades of black, grey, and brown, accented by the white text and the yellowish glow of the moon and lanterns.
