Rambo rages inside the 56 inch DLP monitor!

The game is shown on the 56" wide monitor & combines CG and real movie pictures. Cinematic sounds adds to the arcade experience!

Proven recoil machine gun

Realistic gun with added RAGE button.

Tips

There are many type of enemies! Some shoot everywhere, some pin point their target & shoot with accuracy & some use special weapons like grenades. Define the enemy instantly & defeat them.

Look out for the attack gauge on top of the enemies! Enemies will shoot you when the gauge is full. Decide which enemy to defeat first to minimise damage.
