### Mystery... Magic... Action!

Look for adventure, and you'll find Aladdin. He's always where the action is, leaping across rooftops and running through the hustle and bustle of Agrabah. The streets are chock-full of knife jugglers, snake charmers, basket thieves and, oh yes, a sultan-size squad of Palace Guards, part of Royal Deceiver... er, make that Advisor... Jafar's ever-present troops.

There's trouble afoot in the Sultan's palace, with Princess Jasmine trapped in the middle. Greedy Jafar is about to pull some very evil tricks out of his turban. And Aladdin's about to be caught up in a high-speed chase full of magic, action and untold hazards. Only the quickest of street rats will be able to escape them!

It's no ordinary escapade that Aladdin's about to face. He's got to fight through Agrabah, escape the Sultan's dungeon, survive the fiery Cave of Wonders, snatch the Genie's lamp and battle Jafar in his own secret sanctum.

Aladdin's got a few streetwise tricks of his own, plus a shining scimitar to make sure he trades slash for slash. And maybe... just maybe... he'll get a wish or two. But even for the world's smartest street rat, there's danger ahead!

### Slashing Scimitars!

#### SCREEN INDICATORS

- Health**  
The smoke in the lamp at the top left of the screen is your health. Don't let it fade away! Some of the smoke vanishes each time you get hurt. The lamp will flash when you get down to your last few hit points. You can restore the smoke with Genie Hearts.

- Score**  
Watch your points add up!

- Tries**  
You start with three, four or six Tries, depending on your Difficulty level. You lose a Try when you run out of health. Abu and the Genie are in your corner to help you revive, as long as you have Tries left. You can get extra Tries by collecting Aladdin power-ups hidden throughout the game.

- Gems**  
Pick up big gleaming jewels to increase your Gem count. Use Gems to buy extra Tries and Wishes (Continues) from the Peddler (see page 38).

- Apples**  
You start out with 5, 10 or 15 bright red apples, depending on your Difficulty level. Use them to pelt your opponents, from Palace Guards to attacking snakes. That'll get rid of them quick, before they get close. You can pick up more apples almost everywhere. Try not to run out.

P.S.: Look out for the Basket Thief — his hobby is swiping apples.

### Special Items & Power-Ups

You gain something good every time you run across the items on these pages.

- Apples**  
Try to keep your Apple count high so you'll always have long-range ammunition.
- Snake Charmer's Flute**  
Catch a flute to get a magic rope that will help you escape to a higher spot. Look for musical notes that lead you to the flutes.
- Genie Heart**  
This restores some of your health.
- Aladdin**  
This golden charm gives you an extra Try.

- ① **Gem**  
When these add up, you can buy extra Tries and Wishes (Continues) from the Peddler. (See page 38.)
- ② **Abu Token**  
One of these is good for a trip to Abu's Bonus Rounds when you clear the level. (See page 58.)
- ③ **Genie Token**  
These will take you to the Genie's Bonus Machine after you clear the level. Pick up as many as you can, so you'll have extra tokens to play the machine. (See page 56.)
- ④ **Black Lamp Smart Bomb**  
When Jafar's brass booby-trap explodes, it knocks out all near-by enemies.
- ⑤ **Blue Vase**  
This is a milestone marker. When you lose a Try and revive, you'll restart the level at the last Blue Vase you passed.

- ① **Apple Slices**  
You'll run into these on your high-speed Rug Ride through the Cave of Wonders. Four apple slices add up to one extra apple.
- ② **Scarab Halves**  
Find two of these to gain entrance to the Cave of Wonders.
- ③ **Genie's Lamp**  
Search for this in the Cave of Wonders. Its magical powers will help you rescue Princess Jasmine — if Jafar doesn't get it first!

## The Peddler's Stall

Surprise and adventure follow Aladdin wherever he travels. For instance, the mysterious Peddler is always close by. When Aladdin finds the Peddler, he will open up his stall for business.

To make your purchase, stand in front of the stall, either on the left or the right, and press the D-PAD up. Just be sure you've collected enough Gems beforehand so you don't get turned down.

Extra Try ..... 5 Gems  
Wish ..... 10 Gems

## Wishes

If Aladdin could wish for anything, it would probably be to defeat Jafar, save Jasmine and live happily ever after. But he wouldn't want to give up all the fun he's having as a street rat.

When Aladdin buys a Wish from the Peddler, he gets everything he's wishing for — sort of!

A Wish gives Aladdin one Continue. That means when he loses his last Try, he can continue the game from the level he's at, instead of having to start over.

Every time you continue a game, you get the same number of lives as when you first started the game. A Wish could be worth up to six extra Tries!

## Aladdin's World

### AGRABAH STREET

- Give the Sword Guards a "hot foot" by making them run across the hot coals!
- Throwing apples at the Sword Juggler will only give you applesauce, unless you time it just right.
- There's no game clock, so take your time. Fight all the enemies and try to get all the power-ups. As the noted Thief of Agrabah, the more you look for, the more you'll find.

## THE DESERT

- It's too hot to race across the burning sands. Take it slow — and always be ready for attacks.
- The leafy tops of the palm trees are good for something besides growing coconuts. Try to figure out what it is.
- Find the Scarab. But watch out, it flies away! Keep searching!

## AGRABAH ROOFTOPS

- Get all the floating flutes — and the magic item they cause to appear.
- Make the Palace Guard drop his drawers, and he'll be too embarrassed to fight.
- Use flagpoles and ropes to race around the roofs.
- Find Gazeem the Thief and make him give up something you're looking for.
- Defeat Razoul, the Captain of the Guard, to escape the rooftops.

## SULTAN'S DUNGEON

- Welcome to Jafar's "retirement home" for thieves and other rascals.
- Whack pesky bats early on to get them out of your hair.
- Yikes! Spikes! Time your steps and jumps to the rhythm of the sliding spikes and stones, and don't move too fast!
- Easy does it around the swinging wrecker balls.

## CAVE OF WONDERS

- You'll wonder how you're ever going to escape this rumbling cavern filled with the most fabulous treasures ever seen — and the most menacing!
- Watch out for ambushes by "armed" and dangerous Shiva statues! Destroy them to find the way into other parts of the cave.
- It'll take all your deft swordwork and rapid footwork to overwhelm the four-armed, sabre slashing Shiva Monkey.
- You must find the Genie's Lamp before you can escape the blue gloom of this vast chamber.

## RUG RIDE

- Streak away on the high-speed magic carpet to escape the red hot lava wave. Follow the Genie's pointing fingers to duck or fly over the monstrous boulders blocking your way.
- Build up your ammunition supply. Four apple quarters give you one extra apple. Try to grab Genie Tokens and Aladdins, too.

## INSIDE THE LAMP

- Ever wonder what a Genie's got inside his lamp? Now you'll find out!
- Slide on the Genie's smoke curls, hang on balloons and ping-pong like a pinball at the flick of the Genie's finger.

## THE ESCAPE

- A tremor shakes the crumbling, blistering hot tunnel. You must leap across the fiery lava lake. Now you're in for a hot time!
- The quaking volcano spews forth burning balls of lava. Can you outrace them?

## SULTAN'S PALACE

- Awk! Keep the flamingoes squawking to cross the lily pads. Don't fall in!
- Your magic carpet saves the day! Ride the rug up to the terrace. Since this is the Sultan's Palace, it's loaded with Palace Guards. Stay on your toes!
- Heavy ropes lead the way to the Palace penthouse, and a throng of junk-food gobbling guards.
- Iago has a terrific surprise he's cooked up just for you — one that'll make your head spin!
- Find the trap door that leads to Jafar's Quarters and stop Iago from running Jafar's "storm" machine! And don't forget to free Abu!

## JAFAR'S PALACE

- You're getting closer to the root of the problem — Jafar! His palace is booby-trapped with sizzling floors, swinging wrecker balls, and sneaky guards who fight like wild tigers.
- Timing is all important! Go slow and keep a cool head — so you don't lose it.

## Genie's Bonus Machine

There's more to the Genie than just the "pretty face". The Genie runs a Bonus Machine. You can play his game of luck every time you clear a level and have collected one or more Genie Tokens.

The Genie Tokens you collect add up to the number of times you can play.

- Press BUTTON A, B or C to select a random prize.
- When you run out of tokens, the bonus round will end.

### Pictures ..... Prizes

- Gem ..... 1 Gem
- Apple ..... 5 Apples
- Aladdin ..... 1 Extra Try
- Jafar ..... Lose all Genie Tokens

## Abu's Bonus Rounds

Life just wouldn't be the same without Abu! He's more curious than a cat, more stubborn than a mule, and sillier than a monkey. (Wait a minute — he is a monkey!) He's so smart, that he has his own bonus round where he can collect Gems, apples, and extra Tries.

Pick up an Abu Token in three of Aladdin's levels. Then, after you play the Genie's Bonus Machine, you'll go on to Abu's Bonus Rounds.

Make Abu run back and forth to pick up the special items that drop all around him. It's too bad that pots or rocks are also hailing down. Along with sword-slinging guards and other perils, they make things difficult for the little guy. One hit, and the round ends.

Watch out, Abu!
