

# GALAXY FORCE

**EXPERIENCE THE "SPIN" OF A LIFETIME!**

## **SUPER DELUXE TYPE**

Faithfully simulating the commands of the right-hand side control stick, the whole cockpit inclines 15 degrees in two directions, as well as speedily turning 335 degrees to both the right or left.

## **MULTI-WAVING CABINET**

Players get ultimate realism with the revolutionary free moving type cockpit which allows the player to experience the maximum thrill in simulated spaceship flight.

## COMPACT "DELUXE TYPE" MODEL IS NOW AVAILABLE!

As the pilot guides the craft by skillfully utilizing a realistic control stick, the seat inclines in 2 directions up to a maximum of 15 degrees, as well as moving to the right and left at a 30 degree angle ..... every command instantaneously reproducing challenging outer space battle scenes. This truly unique videogame offers even more in realistic "body-sensing" thrills than the "Super Deluxe Type." Of particular importance to the space and income conscious operator, is the fact that its light and compact cabinet allows for easy installation in almost any location, thus enabling you to maximize your earnings.
