

All Toaplan Collection Boiler Copy:

Dedicated to any retro gaming collector is Retro-Bit® Publishing's Toaplan Collector's Edition!

This reintroduction to the classic shoot 'em up games that pioneered the start of the genre on the SEGA Genesis® features a never-released in North America Zero Wing and over 30 different endings, Fire Shark with Masahiro Yuge's thoughts on his favorite bonus scenes, Hellfire and his take on challenges faced in this side-scrolling game, and Truxton with Masahiro Yuge's insight on the making of the music behind the game.

With so many exclusive extras and the opportunity to get your hands on these rare Toaplan shoot 'em for the SEGA Genesis®, you'll add 4 new games to your retro library!
