

Valis Collection

The epic story of Yuko Ahsu from ordinary schoolgirl to the Warrior of Valis saving Earth and the Dreamland from the invading hordes from the Dark World graced the SEGA Genesis®/Mega Drive over 30 years ago. Those looking to own all three titles, they can look forward to receiving an additional master slipcase to store all three titles as well as a special acrylic stand displaying Cham, Valna, and Yuko.

- Sleek new master slipcase for those that purchase all three games
- Includes an additional acrylic stand featuring the three heroines
- Featuring artwork from all three titles
- Includes each game and its contents
- Makes for a great addition to any retro game collection
