# the Pink PANTHER

**N**o mundo das personagens clássicas dos Desenhos Animados, há apenas uma cuja paixão espirituosa para a diversão e aventura faz com que seja imediatamente reconhecida por todas as gerações: a PANTERA COR-DE-ROSA. Delicada, brincalhona, sensata, corajosa, elusiva - a PANTERA COR-DE-ROSA é uma personagem versátil que nos pode aparecer sob os mais diversos disfarces.

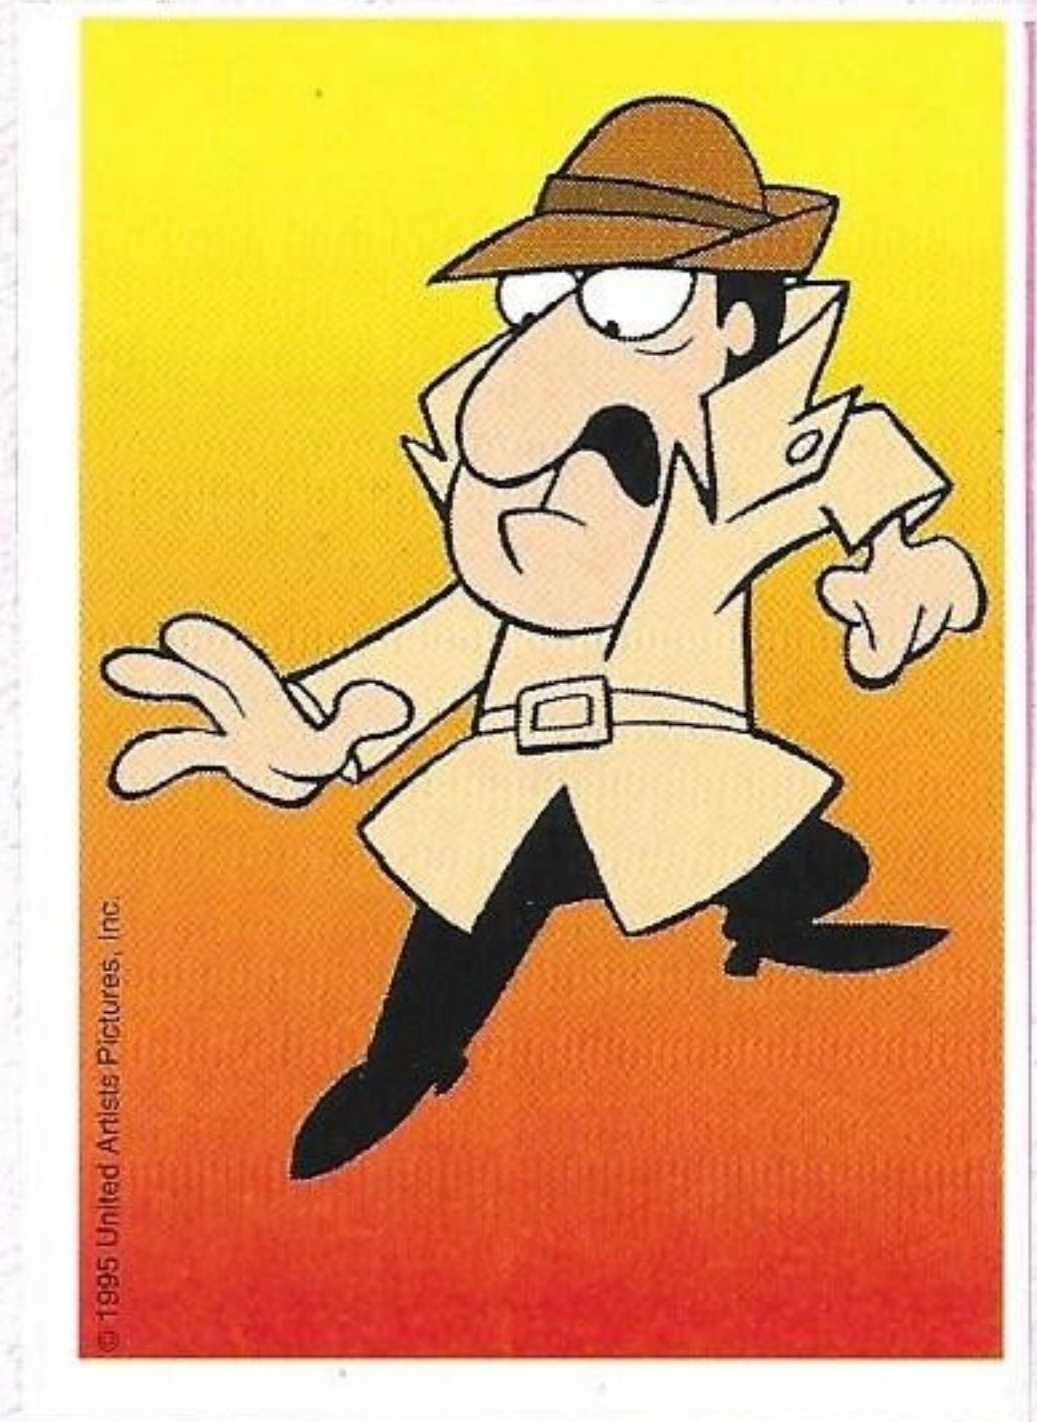

**N**ascida da imaginação de Friz Freleng (recentemente falecido) e David DePatie, a PANTERA COR-DE-ROSA começou por ser uma personagem animada (muitos dos seus filmes continuam a passar nas televisões de todo o mundo, incluindo Portugal), uma criatura dinâmica e cheia de vida que raramente está no mesmo sítio, o que torna difícil capturar numa imagem só toda a magia da PANTERA COR-DE-ROSA.

**N**esta espectacular colecção de 150 cromos, os editores conseguiram algumas das poses mais "dinâmicas" e engraçadas da nossa amiga PANTERA COR-DE-ROSA. Ao fazeres esta colecção, reunes num maravilhoso álbum as imagens mais espectaculares de uma personagem que fez e continua a fazer história nos Desenhos Animados em todo o mundo.
