

Platform	Xbox 360®, PLAYSTATION®3
Release	October 2010
Developer	PlatinumGames Inc.
Age rating	PEGI/USK: 18 (TBC), ESRB/COB: M (TBC), BBFC: 15+ (TBC)

Directed by Shinji Mikami, the creator of the Resident Evil series, VANQUISH™ is a sci-fi shooter of epic proportions with a fast, fluid and frenetic combat system, and an engaging and immersive storyline.

The story takes place on a vast space station in a near future world where nations war over the planet's remaining energy resources. Against this backdrop, players take the role of Sam Gideon, a government agent kitted out with a futuristic battle suit. A versatile fighter with a huge arsenal of weaponry at his disposal, Sam also has an array of martial arts skills that he can use to take down his robot enemies.

KEY FEATURES

- **Fast, fluid and frenetic.**
This is gaming at its most explosive and exciting, as you storm into battle.
- **Experience a game character like no other.**
Sam is the ultimate weapon, donning a futuristic battle suit of destructive firepower and superhuman speed and agility.
- **Wage war in space.**
Fight your way through the enormous, open environments of the space station. The most advanced, futuristic city in the skies becomes home to the action.
- **Genre breaker.**
Taking the shooter genre to the next level by adding unique offensive and defensive moves, and kinetic melee combat.
- **Challenge and competition.**
VANQUISH will rate players on a variety of statistics, rewarding them for quick reflexes and strategic thinking, ensuring they will want to play the levels again and again.
